

Over 100 Flavors of Shaved Ice

Are You Ready to Fundraise?

More and more schools and organizations are discovering the delicious taste and texture of The Snow Castle snow ball! Our shaved ice is simply the best! Unlike that gritty ice that won't hold the syrup, our ice is block-shaven, soft, and fluffy.

- Your organization gets 25 % of all sales!**
- WE do ALL of the work- YOU do NOTHING!**
- There is NO charge for our Castle to come to your school!**
- People love our shaved ice, not just kids. Because our snow balls hold the syrup, there is no need to hide an inferior texture with self-serve syrup taps. This lowers our food cost and increases your profit potential!**

Come Taste The Difference!

We are so confident that our shaved ice is the BEST; we challenge you to come try it for yourself. Bring this flyer to our Woodruff Rd. location, tell us about your organization, & have a FREE Snow Ball on us!

One Time Events

For your carnivals, band competitions, field days, or any other special event, The Snow Castle will make everyone smile. You'll smile too when we hand you a check for 25% of sales!

Athletic Events

We can cover your entire soccer, track, or football season. We've earned thousands for area High Schools, and we're ready to do it for YOU! And in the winter when it gets colder, our castle cart can serve our delicious Snow Castle gourmet hot cocoas.
